

Marine Grip Tape - 2"x60'

Floormat Marine Grip Tape is specially designed for salt water applications, where standard grip tape can breakdown with constant exposure to salt water. This tape is engineered to be comfortable for bare feet, while providing slip resistance on wet surfaces. Salt water resistant and engineered to provide a strong and lasting non-slip surface to steps, walkways and ladders. The Marine Grip Tape is available in Black, Blue and Gray.

- Specially designed for marine based applications
