

SuperScrape Impressions Logo Floor Mat

These mats offer a superior printing surface for your company logo or promotional message. Photo-realistic images, print ready artwork, tones and shades are all produced with unparalleled detail and clarity. 150 standard color options are available. PMS color matching available with an upcharge.

- 3/16" thickness. Resistant to oils and chemicals.
- The high-traction surface effectively removes and traps tough dirt, grime and water from shoes
- Recommended for commercial buildings, hotels, restaurants, healthcare facilities, office buildings and more
- Photo-realistic images from print ready artwork. Tones and shades are all produced with high detail and clarity. 150 standard color options available.
