

# Sure Stride Floor Mat

This high traction mat surface provides a safe walking surface with its Tacki Back adhesive system that keeps it flat and in place. Very low profile with a moisture barrier that keeps liquids from seeping through to the floor. Disposable matting with a 3-month life span under normal usage.

- 3' X 100' Rolls
- Rated high traffic matting by the National Floor Safety Institute
- Knife and cutting board included with every roll
- Tacki Back adhesive ensures full bond with hard surface for 90 days
