

Toasty Toes® Foot Warmer

Toasty Toes has been redesigned to be smaller and lighter without sacrificing heat production. The Toasty Toes combines an ergonomically design space heater with an ergonomically designed foot rest to provide hours of comfort and warmth.

- Energy Efficient; uses only 105 watts of electricity. 93% less than an average space heater
- Improves circulation and blood flow
- Safe to the touch, will not burn your skin
- ELT Listed
- 3 adjustable positions
- 2 pronged plug-in
