

WaterHog Inlay Logo Mat

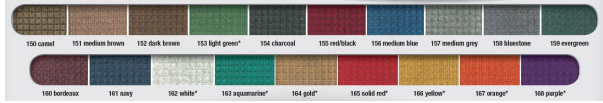

With our unique inlay process, the logo or message is specially cut out of different carpet colors. These carpet sections are then pieced together and bonded to a rubber backing to create a beautiful, long-lasting and practical image mat for any workplace. Excellent durability and traction properties provide a slip-resistant surface which effectively removes tough dirt, grime and water from feet. All WATERHOG™ Logo Inlay mats are certified slip resistant by the National Floor Safety Institute.
